Morning Presentation

9:00 - 10:00 am

The Rev. Winnie Varghese will speak to the volunteers about best practices when volunteering in the community, how you can start or enhance community engagement in your own churches, and share her experiences from churches where she has served.

On the Friday of Convention this year, we plan to live out our theme **“Seek and Serve Christ”** by spending a day at several sites in the community, giving back and serving others. We will gather Friday morning to hear from our keynote speaker, the Rev. Winnie Varghese, Director of Community Outreach for Trinity Wall Street, and then go forth to "Seek and Serve Christ" at our Convention WORKshops. There will be outreach locations for all skill and activity levels. There will be an opportunity to gather again in the afternoon to pray and reflect on the day.
