

The Episcopal Diocese of South Carolina

2022 Diocesan Ministry Grant Application

Grant Explanation and Purpose: Monetary grants are awarded within the Episcopal Diocese of South Carolina for initiatives that will enhance the mission and ministry of the Diocese, with special consideration given for awarding grants to missions and worship groups. Through this grant program, the Diocese identifies innovative and worthwhile ministries in a church where a relatively modest amount of grant money can make a significant difference. Grant requests can be submitted for, but are not limited to, new or continued initiatives that will enhance parish life.

Grant Application: There is no deadline for these grants. They are reviewed as they are received monthly.

PLEASE NOTE: Applications **must be submitted by email or received in the mail by the application deadline.** Paper applications must be received at the Diocesan Office by noon on the application deadline.

Eligibility Criteria: Grants through this program are made to churches within the Episcopal Diocese of South Carolina, not individuals or other Diocesan entities. Eligibility for a grant under this program requires that a church must be in good standing in the Episcopal Diocese of South Carolina. Good standing, as defined in Canon 6, requires a church to send a delegate to the Convention, submit a parochial report, and make a financial contribution to the program of the Diocese.

Primary Considerations: When evaluating applications, careful consideration is given by the Ministry Grants Committee to the following factors. Please address at least one or two of the following factors in about 500-750 words.

- *The potential impact of the proposed initiative to the mission or worship group.*
- *The evidence of the need for proposed grant.*
- *The degree to which the grant will enhance the mission or worship group.*
- *The number of people who will benefit from the grant.*
- *The extent of volunteer involvement and broad support for the mission or worship group.*
- *The support for a grant from priest-in-charge/vicar, where applicable, and vestry.*

Program Exclusions: This grant program (The Diocesan Grant Program) does not fund: Endowment Funds, Fundraising Campaigns, Building Campaigns, Debt Retirement, or Capital Requests.

Application Submission: All applications must either be submitted by email or mailed using the attached PDF form, which describes in detail the needed information. **Please invest your time in content and mission vision, rather than presentation.** Do not provide extraneous materials that have not been requested in the grant application.

Conditions for Receiving a Grant Award: Grant announcements are made shortly after the Ministry Grants Committee meets. An award letter or email is sent to churches who are awarded a grant. The letter will include the amount awarded along with the expected date of when the funds will be released. A written report on the project will be due at a semi-annual meeting of representatives from all missions and worship groups.

Application Frequency: At this time there is no restriction on the frequency with which an eligible mission/worship group may submit grant applications. Ordinarily mission or worship groups cannot ask for more than \$40,000 over a 3-year period. This application form will be reviewed annually.
