THE EPISCOPAL CHURCH IN SOUTH CAROLINA

Acceptance of Nomination for Holy Orders

Form 2

Canon III.8.2 (b)

I, _____, accept Nomination for Holy Orders, acknowledging the fact that there is neither a right to ordination, nor a guarantee of placement at the end of the process, and accepting the compensation and pension limits of the Episcopal Diocese of South Carolina.

I have received assurances from my sponsoring clergy or leader exercising authority and the Vestry/Council that they will support me spiritually and emotionally throughout the Holy Orders process. They will also give me financial support to the best of the congregation's ability. No matter what the outcome of the process, they will continue to hold me in prayer.
