## **2020 Department of Parish and Missions Funding Requests**

**Funding Purpose:** The Department of Parish and Missions Funding is to assist congregations that are in need of financial support. Requests can be submitted for, but are not limited to, clergy, lay salaries, rent and other initiatives that will enhance parish life.

**Application Process:** Applications should be sent to the Finance Committee via Andrea McKellar. They will be reviewed monthly by the Finance Committee. The committee will submit a recommendation to Diocesan Council for final approval.

**Eligibility Criteria:** Financial requests are made to congregations within the Episcopal Diocese of South Carolina, not individuals or other Diocesan entities. Eligibility requires that the church be in good standing in the Episcopal Diocese of South Carolina. Good standing, as defined in Canon 6, requires a church to send a delegate to the Convention, submit a parochial report, and make a financial contribution to the program of the Diocese.

**Primary Considerations:** When evaluating applications, careful consideration is given by the Finance Committee to the following factors. Please address at least one or two of the following factors in about 500-750 words.

- *The evidence of the need.*
- *The degree to which the grant will enhance the congregation.*
- *The number of people who will benefit from the grant.*
- *The support for a grant from clergy, where applicable, and vestry.*

**Program Exclusions:** This grant program does not fund: Endowment Funds, Fundraising Campaigns, Building Campaigns, Debt Retirement, or Capital Requests.

**Application Submission:** All applications must either be submitted by email or mailed using the attached PDF form, which describes in detail the needed information. **Please invest your time in content and vision, rather than presentation.** Do not provide extraneous materials that have not been requested in the application.

**Conditions for Receiving a Grant Award:** Grant announcements are made shortly after Diocesan Council meets. An award letter or email is sent to the churches who are awarded a grant. The letter will include the amount awarded along with the expected date of when the funds will be released. A short narrative illustrating how the funds were used should be sent to the Finance Committee no later than 90 days after the Grant is received.
