News and Notices

A Warm Welcome to any who may be visiting with us this evening

Imposition of Ashes is optional, but encouraged.

Today is Ash Wednesday which marks the beginning of Forty Days of Lent. The spiritual disciplines historically associated with Lent are prayer, fasting, and giving of alms. Many people keep Lent by fasting from (giving up) some part of our lives. This could include such things as the internet, alcohol, gossip, cigarettes, etc. Another option would be to take on a Godly discipline among them activities such as daily prayer, scripture reading, caring for the poor, exercising stewardship of the earth in some concrete way. There are literally countless ways of undertaking disciplines such as these. Pray about it and ask God to show you what He would have you do (or not do). Lenten disciplines provide us with a fresh opportunity to grow spiritually and to increase our mindfulness of God’s grace and mercy toward us.

Many thanks to Richard and Snoots Howard and all those who helped with Pancake Sunday. Well Done!
