Welcome to our visitors! We are glad that you are here. Please sign the visitor book and join us for coffee hour immediately following this service at the Parish House (across the street).

Today we welcome back The Reverend Jill Williams. She will be with us through June.

Volunteers needed: Are you always wondering how you might help the church on your own time? Here's your chance! The Vestry would love to have someone volunteer to check the A.C. filters in the Morrison House and the sanctuary once a month and change if needed. Contact Larry Mellichamp if you are interested.

MORRISON HOUSE REFRESHER: Over time we need to freshen up the furnishings and accessories in the Morrison House. Therefore we are offering the following items to anyone who wishes to have them...Table in dining room (originally in the L.R.); chest/wardrobe in the upstairs bedroom; red chair in bedroom; other items marked with a green "dot" and also in the bedroom. Items you wish to have must be removed by June 27. Questions...contact Macy Frampton

We would also like to refinish the coffee table in the Morrison House living room. If you enjoy furniture restoring, we can use you! Contact Macy Frampton.

The Village VBS is July 9-13 at the Methodist Church this year. If interested in volunteering, please see Betsey Geer.

St. James seeks to be a peaceful healing place where Christ is made known.
